

Dear Sir/Madam

This letter serves to confirm that Beluga Hospitality has worked with OPPO South Africa for OPPO's sports incentive trip. The UEFA Champions League experience was managed by the Beluga team. Led by Mark Zeeman, the team are efficient, effective and always willing to go the extra mile to ensure that the trip was a success.

We are excited to continue our relationship this year as we continue to establish OPPO in the minds of South African consumers, working with the talented and reliable team at Beluga Hospitality.

Kind Regards,

Avashnee Moodley
