Dear Grant and Team,

Testimonial for Beluga Hospitality

I'd like to thank the Beluga team for hosting Dark Fibre Africa and our VIP guests at the Andrea Boccelli Tour of South Africa.

This was by far the best hospitality event I've ever attended!

The Beluga team gave our guests a very warm welcome on arrival, the catering was superb and the team ensured that we moved seamlessly from the hospitality lounge into the arena.

The experience was premium from start to finish and made a fantastic impression on our guests.

Warm regards,

Suvesh Arumugam
