

BMW Constantia

BMW Retailer

20 May 2025

Dear Dudley,

I know it wasn't easy to give up a night in the comfort of your own bed – but you did it, and we're immensely grateful.

On behalf of everyone at BMW Constantia, SMG and U-Turn Homeless Ministries, I'd like to thank you for demonstrating your courage and compassion.

By joining us for the 2025 Sleep Out, you have helped to raise awareness of this pressing issue and your very generous contribution went a long way in helping us to not only meet but, to surpass our R1000 000.00 goal!

By giving up a night at home, you've made a difference – and made it possible for U-Turn Homeless Ministries to create meaningful pathways out of homelessness for more people. Pathways that lead to employment, housing and the turning around of lives.

I am honoured to have slept alongside you on the pavement, and I can truly say that your example was inspiring to the entire BMW Constantia team.

Sincere thanks,

Matthew James
